Attn: Hayashi · Sakura Speak Team

TO**Sakura Speak — Client**

(Billing name & address to be
confirmed)

PROJECT**Sakura Speak**

Japanese learning platform — LP &
member area

Thank you for the opportunity. This document sets out our quotation and the scope of work for the design and implementation of Sakura Speak, including the minimum requirements needed to launch the service. Amounts are in Japanese Yen (JPY).

Quotation

Item	Details	Amount
Design & implementation (launch-ready) Sakura Speak — public LP & member area	UI/UX design and implementation of all screens and full Vocabulary Sheets (10 categories / 101 topics / 2,122 words), plus the minimum requirements to launch — real authentication, a member database, and a member-management screen. See "Scope of Work" below.	¥2,000,000
Subtotal		¥2,000,000
Consumption tax (10%)		¥200,000
Total (tax included)		¥2,200,000

Payment schedule — two installments

#	Milestone	Amount	Due
1	Initial payment (50%) To commence and secure the schedule	¥1,100,000	July 6, 2026
2	On delivery (50%) Payable upon delivery of the project	¥1,100,000	July 31, 2026

Delivery & final payment: The target delivery date is **July 31, 2026**. Should the project be completed ahead of schedule, the second installment will become due **at the point of early delivery**. An invoice with our bank-transfer details will be issued upon your confirmation of this quotation.

Bank transfer details

Bank	SBI Sumishin Net Bank (SBI Net Bank)
Branch	Corporate Business Branch No.1 (branch code 106)
Account	Ordinary (futsu) No. 3100658
Account holder	MOFURI Inc. (株式会社MOFURI.)

* Bank transfer fees, if any, are kindly to be borne by the client.

Scope of Work

Included in this engagement

Design & implementation — launch-ready, incl. the following:

- ✓ Public landing page (JP/EN switch, responsive/mobile)
- ✓ Member dashboard, lessons & lesson player
- ✓ Mini-games ×4 (quiz / memory / listening / sentence scramble)
- ✓ Vocabulary Sheets — full data (10 cat / 101 topics / 2,122 words)
- ✓ Preset avatars — several options built from your supplied images (selection only; no dress-up)
- ✓ Profile & social, community, review sheets & news
- ✓ **Authentication & member accounts** (real sign-up / login)
- ✓ **Member database** & data persistence (e.g. Supabase)
- ✓ **Member-management screen** & admin CMS
- ✓ Subscription screen, ready for your Stripe connection
- ✓ Onboarding tour & custom Meemi mascot (SVG)

To be provided / arranged by the client

Required to take the product live (outside this scope):

- ▶ **Design image assets** — all photos, logos and visuals to be used in the design (incl. official Meemi artwork, if to be swapped in)
- ▶ **Domain & server (hosting)** — preparing the production domain/server and the production upload (deployment) to it
- ▶ **Stripe** — Stripe account/contract and the live payment integration (connecting checkout to real billing)
- ▶ **Backend service accounts** — Supabase account/project (member data & auth; paid plan for production) and an email-sending service (SMTP, e.g. Resend/SendGrid) with a sending domain. OAuth credentials if social login (Google/Apple) is enabled. Ownership & billing remain with the client.

Future phase (optional, separate quote): full lesson content (Class A–D) and further feature expansion.

Notes: On delivery, member sign-up/login and member data are functional; payment processing becomes active once you connect your Stripe account. Pronunciation uses the browser's built-in speech synthesis. Providing the client-side items above (especially design images) early helps ensure on-time — or early — delivery. Prices are valid until the date shown above. Currency: JPY; alternative currency or transfer method can be discussed on request.

Acceptance

By signing below, the client agrees to the quotation, payment schedule and scope of work set out above.
